Mahinder Doman "A Note on Asian Indian Women in British Columbia 1900-1935":

p.102. Since these women almost never associated with people of the larger society and certainly did not drive cars or enjoy individual mobility, the community members who were not family members became so instantly.

p.102. She was willing to admit, however, that among other homemaking activities, Western style food preparation made her legs ache.

Footnote 22. These titles are the names of female relatives. Sister to mother is *Massi*; sister to father is *Phuah*; wife of father's older brother(s) is *Tiye*; wife of mother's brother(s) is *Mahmi*.
